Bei abfallenden Elementen (Elemente, die bis zum Rand gehen): diese 2 mm über den Beschnitt hinaus gehen lassen.

Elements touching the boundary line must exceed this line 2 mm.

Nicht abfallender Text/Logo sollte
ca. 1,5 mm vom Endformat beginnen/enden.

Maintaining 1,5 mm space between the text/information/logo and the edge of the trimmed format prevents undesirable cuts.

Alle schwarzen Begrenzungslinien entfernen.

Remove all black boundary lines.

Hintergrund 2 mm in die Klebefläche hineinragen lassen.

Background of back side shows 2 mm into the glue area.

In der Datei müssen alle Marken **A-P** vorhanden sein.

All marks **A-P** must be visible in the file.
